### **Reference PAUL QUENNELL**

I am happy to provide a reference for Bluejay Construction

Following a tendering process for the extension work to our school, a bid from Bluejay Construction was accepted. Construction began on 3<sup>rd</sup> March this year and was completed within the time limit by the end of August. The cost of the construction was in the region of £255,000

Progress of work was not affected by inclement weather and no health and safety issues occurred on site for the duration of the project.

There was minimal disruption to the working day, Bluejay fitted seamlessly into our school environment and on occasion went above and beyond their duties to help us with other unrelated problems.

Bluejay remained positive, committed and professional throughout the project and I would recommend their work without hesitation.

Liz Nichols (Headteacher)
